IMPORTANT :

This inventory of potential service providers, compiled by the SDC Vieux-Montréal, is intended to facilitate the search process for its members who have specific needs related to private-sector services. This list includes specialized companies whose areas of expertise correspond to the category mentioned at the top of the page. At the time of the inventory, these potential providers appeared to be able to serve commercial clients on the Island of Montreal. Please note that SDC Vieux-Montréal has no affiliation with any of the providers listed and cannot guarantee the quality of the services offered.
